NOTES:

In 1997, the government introduced new rules for the Driving Test, which removed the automatic entitlement for drivers to drive a minibus (shown as D1 on the new style driving licence).

New drivers passing their driving test after 1997, will need to take a second test for D1

All drivers must declare their age. The insurance covers drivers from the age of 25 to 75 years. However, drivers over 70 years of age, upto 75 years, must submit a Grade 2 Medical Test, and allow the results to be passed on to the minibus insurers.

It is the Driver's responsibility to advise the R J Weston Duffield Charity (CIO) of any changes to the information noted on this form.

I declare that, to the best of my knowledge and belief, the information and statements made on this form are true and complete. I authorise the R J Weston Duffield Charity (CIO) to make this completed form available to their insurers, if required.
